Imagine Pediatrics Wins 2025 HLTH Kid's Health Best in Class Award

Award recognizes innovative value-based care model that provides 24/7 integrated medical, behavioral, and social support for children with special health care needs

Nashville, TN – October 20, 2025 – Imagine Pediatrics, one of the nation's largest pediatric medical groups delivering 24/7 virtual and in-home care for children with special health care needs, today announced that it has been named the winner of the 2025 HLTH Kid's Health Best in Class award at the Digital Health Hub Foundation Awards, presented at HLTH 2025.

This prestigious award celebrates innovation and impact across the digital health landscape, and is a reflection of the company's dedication to putting children first and building a future where every child and caregiver has expanded access to the personalized care and support they need and deserve.

"At Imagine Pediatrics, we're reimagining pediatric health care for children with special health care needs together. This award is a reflection of our team's dedication to putting children first and building a future where every child and caregiver has more access to the personalized care and support they need and deserve. We're honored and incredibly proud to be recognized among so many inspiring organizations transforming care through technology and innovation."

About Imagine Pediatrics

Imagine Pediatrics is a tech-enabled pediatric medical group that delivers 24/7 virtual and in-home care to children with special health care needs through value-based care arrangements. Its multidisciplinary care teams provide integrated medical, behavioral, and social care designed to expand access to specialized pediatric care for children with special health care needs. The result is fewer hospital stays, more safe days at home, better outcomes and experience for families.
